

The Reeds at Balgowan™

HOMES IN HARMONY WITH NATURE

www.reedsenviroliving.com

California Eco-Home Design Comes to South Africa

An exclusive, private eco-estate in South Africa's KwaZulu-Natal is bringing bold, contemporary home design to the charming and picturesque Midlands Meander near Michaelhouse. The Reeds at Balgowan features California-inspired architectural innovation that is low on carbon footprint and high on eco-friendliness. Join an elite international ownership group in a sylvan setting with sweeping valley views and Drakensberg mountain vistas. This unique back roads retreat is your opportunity to build a distinctive luxury home in harmony with nature.

- 50 hectares of open space with indigenous forests and trails
- 2,000 sq. metre plots, priced between R1,2 and R1,5 million
- Award-winning architectural design and custom plans for each site
- Two trout-filled dams in pristine natural surroundings
- Gatehouse staffed 24x7 with secure electronic perimeters
- Just 10 minutes from the N3 and the village of Balgowan

**PLOT PRICES RANGE FROM
R1,2 to R1,5 MM**
